Ceiling Bid Calculator — the most you should pay at auction		
Ceiling Bid - Total (\$)	\$623.64	The most you can bid and still hit your profit target.
Ceiling Bid Landed Cost (\$)	\$623.64	Total you would pay if you bid exactly at the ceiling.
Ceiling Bid % of Retail	37.8%	Your ceiling bid as cents per retail dollar.
Ceiling Bid / Unit avg (\$)	\$41.58	Average maximum landed cost per unit across the whole lot.
Net Profit at Ceiling (\$)	\$155.91	How much you keep if you sold everything at ceiling bid.
ROI at Ceiling %	25%	Return on investment at ceiling bid.

Ceiling Bid Decision
Ceiling bid is \$624. At this bid your net profit would be \$156 at 25% ROI. Anything below \$624 is a profitable bid at your 20% target margin.

eBay Sold Median is reference only — it never overrides your pricing. Red + bold means AI and eBay disagree by more than 30%: check the comps before you bid. In the live spreadsheet, eBay Results links jump to the eBay Comps sheet, and every row has instant Google Shopping and eBay search links.

eBay Comps

The real sold listings behind every median — one group per item. In the live spreadsheet every listing links to eBay. Seller Feedback = lifetime positive-review count / % positive; low-trust sellers are filtered out of the median.
